

# ARMY TEAM

(From Left) **Chris Waitt**, joined the army as a vehicle mechanic in the Corps of Royal Electrical & Mechanical Engineers. He was then posted in 2007 to 2 LSR RLC LAD in Germany, where he was deployed to Iraq for 7 months.

**Stephen 'Ginge' Taylor**, originally from Paisley and joined the army in June 2004, completing my basic training at Basingbourne. He has since completed phase 2 training in Aldershot and Leconsfield, been posted to 19 tank transporter sqn, completed specialist training to become a tank transporter. I was deployed with 19 tank transporter sqn to complete a 7 month tour in Iraq from November 2006 to may 2007.

**Samantha Cormack**, joined the army in September 2004. I completed basic training at Harrowgate then went to Blandford to train as a Royal Signals Operator. I then spent 3 and half years at 21 Signal Regiment during that time deploying on several exercises and a 4 month tour of Iraq. During this time I also completed a 6 month tour of Afghanistan.

**Scotty Nairn**, joined the army in March 1992. He joined the Royal Signals and after completing training in Catterick. In 1994 he was attached to 14 sigs 237 sqn in Chippenham and was deployed to Cyprus for 3 months. He did his first tour in Bosnia in 1995 when I returned to the UK in 1997 I went back out to Bosnia for the hand over to NATO and have completed to 2 tours of Iraq in 2003. I have also completed a number of exercises including counter smuggling op's in Sierra Leone.
